When you tell other people that you live in Fairview, how many times have heard the response "Where's Fairview?" You probably reply with "north of Acadia", "near Chinook Mall", by the "Farmer's Market", and such. To celebrate the spirit of our small, great, and apparently little-known community, we are now selling "where's fairview?" bumper stickers. They cost \$5 and all the money goes directly to the Community Association. You can purchase one online on our website fairviewcommunity.ca (via PayPal), or by emailing sam.koots@fairviewcommunity.ca and we will deliver one to you. BTW – they fit great on laptops, coffee mugs and iPads, as well.

**Disclaimer:** The opinions expressed within any published article, report or submission reflect those of the author and should not be considered to reflect those of Great News Media and the Fairview Community and/or Residents' Association. # Window and Balcony Safety

With the return of warmer weather, Emergency Medical Services (EMS) would like to remind parents and caregivers of an often-overlooked hazard in the home – access to open windows. Every year, paramedics respond to emergencies where a child has fallen from an open window, often from the second floor. These can be avoided by following safety measures. Take the time to assess potential hazards in your home before a preventable fall occurs.

## Windows and screens

Prevent access to windows by moving furniture such as cribs, beds, stools, and change tables out from under them.

Keep drapery cords out of children's reach. Wrap excess cord around cleats, or tie-downs to avoid a choking hazard.

Remember, screens are not safety devices. They are designed to keep bugs out, not children in.

## Balconies

Do not underestimate a child's ability to climb. Furniture and other items stored on balconies and decks can be used to climb resulting in falls over the railing.

Ensure that your balcony railings are not more than 10 cm (4 inch) apart. This will eliminate access between the vertical bars of a balcony, or deck.

## Further prevention tips

Toddlers & preschoolers are at highest risk of falling from a window, or balcony, but it may happen at any age.

Direct supervision of children is the single most effective way to prevent falls from windows and balconies.

Install safety devices which limit the distance in which a window can be open to a maximum of 10cm (4 inches).

Ensure the safety device can be released quickly, so the window can be used for escape in case of emergency.

Consider purchasing a portable air conditioner, which will enable windows to stay closed and secure.

EMS is proud to be a member of the Partners Promoting Window and Balcony Safety. Take time to assess your home for window and balcony hazards and eliminate the risks before a preventable fall occurs.

## UPCOMING COMMUNITY EVENTS

### Bottle Drive

Start saving your empties for our 11th Annual Bottle Drive, coming in May! Clean out your garage and basement and donate your refundable to support your community!

### Fairview Community Association Board Meetings

Tuesday, May 4, 7:00 pm

Tuesday, June 8, 7:00 pm

Board meetings are held the first Tuesday of each month (no meetings July or August). All members are welcome and encouraged to attend by contacting secretary@fairviewcommunity.ca.

### Fairview Community Association's Annual General Meeting:

Tuesday, June 1. Plan to come out to support the work we have done over this past year and vote in our new Board of Directors! Memberships are required 30 days prior to the meeting date to vote.

Do you have an idea for a Community project or event? Contact the Fairview Social and Events Committee by emailing [events@fairviewcommunity.ca](mailto:events@fairviewcommunity.ca).

## Pump Track "Ambassadors" Wanted

We are looking for volunteers who are willing to spend around two hours of their summer helping to ensure our new Pump Track remains safe and successful. As a volunteer "ambassador" you will be assigned one week of the summer where you will be asked to make a couple periodic appearances at the park.

Your role will be to encourage positive behaviours, and to ensure the park is staying in good condition. Examples of what you may be asked to do include:

Requesting off leashed dogs be removed from the track.

Phoning 311 to report any track damage, graffiti etc.

Raking the mulch back into place in the centre of the track.

Meeting your neighbours and enjoying our glorious summer!

We will have a quick orientation night at 7:00 pm on June 9 to go over your tasks and assign one week time slots. If you are interested, please email [sam.koots@fairviewcommunity.ca](mailto:sam.koots@fairviewcommunity.ca).

## Dispose of Pet Waste the Right Way

With the warmer weather finally upon us, you may be cleaning up your yard or outside enjoying the sunshine with your pets. Help keep our city clean by disposing of pet waste properly.

- You can put pet waste and kitty litter (all varieties) in your green cart for composting. For the safety of your collector, put pet waste in a certified compostable bag or paper bag, and securely tie/roll closed.
- Never put plastic bags or bags labelled biodegradable in your green cart. These bags do not break down and end up as small pieces of plastic that contaminate the finished compost.
- If using conventional plastic bags to clean up pet waste, please double bag and securely tie closed before disposing of in the black cart.
- Only dispose of pet waste in your own carts. If you want to use someone else's bins, you need to have permission from the homeowner or occupant.
- If you live in a multi-family complex like a condo or townhouse, check with your building owner or manager to see if your compost collection company accepts pet waste.

To see a list of acceptable compostable bags, visit [calgary.ca/greencart](http://calgary.ca/greencart).

## Parking Prohibited at Flint Park

Dog park - Playground - Pump Track

Signs are now up informing users that it is illegal to park in the alley behind Fairview Drive, where the Pump Track, Off-leash Dog Park and "Train Park" Playground are all located. Any vehicle parked in the alley may be ticketed.

This Bylaw is not new, it has always been in place as this alley is defined as "narrow", less than 6.1m. You can find this on page 23 of the bylaw found at <https://www.calgaryparking.com/documents/10184/11460/Traffic+Bylaw.pdf>.

Going forwards, enforcement of the pre-existing bylaw will now occur. This will ensure that our park does not sustain any further damage due to illegally parked vehicles driving onto the grass, and it will make it safer for users to walk and bike to and from the amenities in the park.

We continue to welcome users from all parts of Calgary and beyond to come and use our beautiful park, but they cannot park in the alley. Please phone 311 or Calgary Parking Authority at 403-537-7000, option three, to report illegally parked vehicles.

Our partners at the City of Calgary are exploring the option of building a small parking area in the alley so there are a few spots for users to park, however for this year, there is to be no parking in the alley.

## Join your Community Association Board of Directors

Do you want to make a difference in your community? Serving on our volunteer Board of Directors helps you get involved.

At our AGM in June, we will elect our Board of Directors. Why not considering joining?

The Fairview Pump Track project, our three recent playground revitalizations and our annual "Movie in the Park" event were all spearheaded by board members. Our volunteer board

members also sit on important City committees. You can have a huge impact in your community!

The commitment really is small. Simply attend one board meeting per month (currently we are meeting virtually- and there are no meetings in the summer) and pick one or two items of Community Association business where you feel like you can make an impact.

If you are interested in joining, we encourage you to attend an upcoming monthly Board Meeting (first Tuesday of the month). Contact [secretary@fairviewcommunity.ca](mailto:secretary@fairviewcommunity.ca) for more information.

# Membership Update

## Membership

Community Association memberships expired February 28, 2021. Purchase your 2021-2022 memberships today.

How do you purchase a membership? It's simple; just pick one of these convenient ways to get a current membership:

1. Fill out this paper form and mail along with payment to: Box 78053, RPO Heritage, Calgary, AB T2H 2Y1.
2. Complete the whole process online at [fairviewcommunity.ca/membership](http://fairviewcommunity.ca/membership) in less than a minute via PayPal. A physical membership card will be dropped off for you shortly after your purchase.
3. Email [membership@fairviewcommunity.ca](mailto:membership@fairviewcommunity.ca) and one of our volunteers can drop off a membership and pick-up payment (contactless).
4. Phone 403-252-5424 and leave a message with your name and phone number, stating that you'd like to buy a membership. A board member will return your call and setup a time for a contactless drop off of your membership card and pick-up payment.

## **Live, Work, Play - Recreation in Ward 9**

There are 24 hours in a day.

Traditionally, eight of those are meant for work, so we can earn a living, and ideally, have some time and resources left over for play. If we're all sleeping like we should be (another eight hours), then simple math would tell us that we have very little time left over for meals, laundry, and spending time with those we love.

So, what then? How does a world class city with world class facilities work for us? Are we making the most of what we have? And more importantly, how are we planning to ensure these opportunities are available for generations to come?

There are hundreds of opportunities to relax, play, train, and compete across Ward 9! From internationally ranked disc golf courses to accessible playgrounds, we've got something for everyone - it's a big part of what makes a great neighbourhood so great. But we're not quite finished and every one of our communities is bursting with potential. Spread the word and share the love by helping us crowdsource the next Ward 9 Map project!

Are we missing something? Can we build on existing spaces to improve accessibility? Do you want to improve a hidden gem in your community?

Check out our community recreation map (QR CODE Below) and let us know!
