Fairview Community Association Membership Purchase Form

Show your support for our neighbourhood and purchase a membership to ensure we can still put on great programs and events for the community once this pandemic is over. We cannot continue our vital work for this community without your support. Your community association is a group of volunteers who work hard to make your community a great place to live for all residents. The Fairview Community Association Board of Directors provides a voice for the community on changes and new developments that affect residents, and we work closely with the City of Calgary through our Neighbourhood Partner and through the Ward office.

Become a member – We don't exist without members! (A membership is up to two registered adults and any number of children under the age of 18 living at the same residence)
