

Macleod Trail and Heritage Drive S.W. Functional Planning Study

A study is underway to explore long- and short-term improvements for the intersection of Macleod Trail and Heritage Drive, and will develop future design options to identify:

- Safer traffic flow with less congestion.
- Faster, more reliable travel by car, transit, bike and foot.
- Better road and pathway connections to support community growth.

Join us in-person or online to share your experiences with: traffic concerns, safety issues, pathway gaps and other challenges in the area.

You're invited

In-person open house

Sept. 19, 2026, 11 a.m.to 2 p.m.
Haysboro Community Association
1204 89th Avenue S.W.
